DJSammm Technical Rider

Nov 18, 2026 · @Sam Stratigeas

DJSammm plays on either the venue's CDJs and mixer (Option A) or his own controller (Option B). Please confirm which setup applies when booking.

Option A: venue's CDJs and mixer

	Minimum	Preferred
Players	2 × Pioneer DJ CDJ-2000NXS2 or later	2 × AlphaTheta CDJ-3000X
Mixer	Pioneer DJ DJM-900NXS2 or later	AlphaTheta DJM-A9 or DJM-V10

The venue also provides:

- Room beside the decks for a laptop stand and laptop, about 2 square feet.
- A booth monitor.

DJSammm brings a laptop that connects to the players, or a USB stick with his music.

Option B: DJSammm's own controller

DJSammm brings his own controller, which connects to the venue's sound system over XLR. The venue provides:

- A standing-height table at least 5 feet (1.5 m) wide.
- A stool.
- A power bar with at least 4 outlets, on the table or within easy reach of it.
- XLR inputs into the venue's sound system.
- A booth monitor.

Video sets

For a video DJ or VJ set, the venue provides its own screens, plus an HDMI cable running to the DJ booth for DJSammm's laptop. Please confirm the screens' input and resolution when booking.

Set and guest list

- Minimum set length: 1 hour.
- Guest list: free entry for up to 4 guests named by DJSammm before the event.
